River's Edge Celebration

Over 200 invited guests joined Mr. and Mrs. Leo Bruso in a special celebration on July 24, 2005 for the long awaited waterfront community located in Fort Washington, Maryland. The celebration took place on the 23 acre "River's Edge" property located on Riverview Road. The approval will allow 18 estate homes and in the very near future, the sites are to be sold. All sites will overlook the Potomac River, with each estate home being unique and different. Four homes will boast direct waterfront, and all homes will enjoy the water view.

Guests young and old spent the afternoon enjoying the beautiful view of the Potomac River along with the good food, music and games. A special presentation to the Maryland Historical Trust of "Artifacts" collected from the site was also part of the festivities.
